

Grade 6 School Supplies for 2018–19

Please purchase the following supplies for the upcoming school year. While it is not necessary to have all of these items by the first day, many of our families have found that there is a larger selection available over the summer.

A complete supply package for your Grade 6 student can be ordered from the School Store and charged to your student's school account. It will be available for pickup beginning August 30. For more information and to place an order, please follow this link: www.landon.net/schoolstorebts.
