

Dear New Middle School Families,

I am writing to extend an official invitation for your son to participate in Running Start — our no-cost program designed to provide an additional orientation to Landon’s Middle School. This optional, but highly encouraged, program is an opportunity for your son to meet some of his teachers, acclimate to the building, practice study skills, and spend time with a number of his classmates. Running Start is instrumental in helping students transition to the expectations of the Middle School community.
