

UPPER SCHOOL SUGGESTED SCHOOL SUPPLIES

The Upper School does not have a list of mandatory school supplies as teachers work with their students to decide what works best for each class. However, the following list includes the items that most boys will need to help them prepare for the year.

- Binders (either one for each subject or larger ones to assemble 2 or 3 subjects)
- Topic Dividers
- Note book paper/spiral bound notebooks
- Pens/pencils/highlighters
- Pencil case
- Graphing calculator (TI-83, TI-84 or similar)

In addition, during the first few days of school each boy will be issued a Plan Book in which he will organize his assignments.
